

WINTER WISHES

GIVE JOY · GIVE WARMTH · GIVE BACK

For many hardworking Passaic County families, the holidays come while budgets are already stretched thin. A warm winter coat may be a necessity they're struggling to afford, while a new toy may be the extra joy that simply isn't in the budget.

With temperatures dropping, our neighbors need both. Your donation can mean a child bundled up against the cold, a gift waiting to be opened, and a family able to experience a little more joy without another expense to worry about.

Donate new toys, cold-weather gear, or gift cards and help make the holidays warmer, brighter, and more joyful for our Passaic County neighbors.
